

INFORMATION SHEET – BIRTHDAY PARTIES

We offer 2 types of party at TNAG as follows:-

1.. STRUCTURED PARTY

Here, the TNAG coaches will lead games and activities on the floor area and then on the apparatus, followed by some free play time on the apparatus and bumps for the birthday child. Structured parties are certainly recommended for children aged 5 or younger

2. UNSTRUCTURED PARTY

There is a TNAG coach on hand to supervise the party but the choice of activities is down to the children and parents and coaches advise on safety aspects only.

Both parties include 1 hour in the gym, followed by 45 minutes afterwards in the viewing area for party food and cakes, games and presents.

We do not provide any food, drinks or utensils but do have a kettle and microwave which you are welcome to use.

PRICES:

Structured : £185 including VAT

Unstructured : £155 including VAT

The above prices are for up to 16 children. If you wish more to attend this can be accommodated at an additional cost of £35 (structured) or £30 (unstructured) per additional 10 children.

WHEN?

We generally take bookings on Saturday evenings after 5pm and Sundays anytime, subject to availability of the facility and coaches. During school holidays, weekday daytime slots may be available.
