

## CLUB COMPETITION INFORMATION SHEET

We would like to invite your daughter to take part in our annual club competition on Sunday 28<sup>th</sup> June. This event is open to all Recreational and Intermediate children, as well as to MDG (Mini Development) and gymnasts from FTS.

Here is a little bit of information about the event;

- Recreational children will compete in age groups and will perform a set floor routine and basic vault.
- Intermediate children will follow the County and Regional General Gymnastics rules, where they can compete on all 4 pieces of apparatus or their chosen pieces only and will also be placed into age groups.

Please note that all age categories are formed with the age that the child turns in 2026 i.e. a child born on July 12<sup>th</sup> 2016 would be placed in an age group for 10 year olds.

- Each child will receive a rosette. There are also medals for the top 3 in each age group category across the day.

Our team of coaches will start working the elements and routines for this event, with all classes in May. The skills - both physically and psychologically - add another dimension to your daughters training. Therefore, in the early stages of preparation, all gymnasts will work towards this (irrespective of whether they will eventually take part in the competition).

ALL the girls are given lots of help and encouragement on the day so do not need to remember the routines (although we will get some demonstration videos up on the TNAG Facebook group for the recreational routines soon). It is a fun event and all ages and levels are encouraged to enter!

*On the day itself, competition is usually split into 2-3 rounds and the **programme for the day will become available after the closing date has passed.** This will be emailed out and available to view within the gym - so please keep an eye out for this.*

## ENTRY + PAYMENT

Your existing GoCardless Direct Debit account will be charged with the full amount of your entry (including any extra spectator tickets confirmed at that stage) on or around Sunday 21st June. The payment may take a few days to be taken from your account. Please ensure that the funds are in place to meet the charge at this time. In the case of a failed payment, the child's entry will be cancelled.

- If you have two daughters who will compete in the same round of the competition (this will be determined after the entry date closes and prior to monies being taken from your account) then you will not pay twice for the spectator tickets. The cost would be £22 (one child and two spectators)+ £12 (second child entry fee)
- If you requested extra tickets on the entry form and we have capacity, we will take the monies (£5 per spectator from your Gocardless Direct Debit account) week commencing 22<sup>nd</sup> June. If you no longer need extra tickets then please let us know before that date so that you are not charged
