Christmas Display Information Sheet

What is it?

Our annual festive display gives every child in the club the chance to be part of a fun group performance with their classmates.

Each group perform for approximately 3-5minutes and everything will be taught and practiced within class time.

When is it?

This year, the displays will be on the weekend of Saturday 12th (afternoon/evening) and Sunday 13th December (afternoon).

Each recreational and intermediate group will only perform once across the two days and this has been allocated as follows;

Monday, Tuesday and Wednesday classes will do the Sunday performance (apx 1-3pm).

Thursday, Friday and Saturday classes will do the Saturday performance (apx 4:30 – 6:30pm).

SQUADS

CS, RNCS, ECS - Saturday + Sunday

FTS - Saturday CPS - Sunday MDG - Sunday GFA1 – Saturday. GFA2 - Sunday

When do I need to book by?

The closing date is November 29th 2026 and you need to book directly via the website.

How do I pay?

Your existing GoCardless Direct Debit account will be charged with the full amount of your entry (including any extra spectator tickets confirmed at that stage) on or around Sunday 6th December. The payment may take a few days to be taken from your account. Please ensure that the funds are in place to meet the charge at this time. In the case of a failed payment, the child's entry may be cancelled.

What will my daughter need to wear?

Any specific attire needed will be communicated to you by your daughter's coach.

How many tickets can I get?

Every entry fee will include two spectator tickets. Should you want more, then please fill this request in on the application form – priced at £6 each (toddlers / children sitting on laps go free).

We will let you know as soon as we can as to whether we can accommodate extra spectators for your round.

Is there a discount if I am paying for two children?

Yes, there will be a discount IF YOUR CHILDREN TAKE PART IN THE DISPLAYON THE SAME DAY and total cost will be £30.00. If your children will be performing on different days, then the cost will be £18.00 per child.
